

United States Department of State

Washington, D.C. 20520

JUL 5 2005

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense services, to include build-to-print specifications to Terralogic, United Kingdom for the manufacture of components of Joint Biological Point Detection System (JBPDS) for end-use by the U.S. Army.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Matthew A. Reynolds
Acting Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DDTC 016-05

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
